# Report of the District Nurse

FOR 1957

---

Cases active Jan. 1, 1957	10
Cases admitted	37
Total number of cases	47
Cases discharged	38
Cases active Dec. 31	9
Nursing visits	617
Social service visits	190
Child welfare visits	159
Consultations	36
Transportation to Physician's office or hospital	24
Attended in ambulance	1
Well-Baby Clinics	10
Other Clinics	4

The local nurse assisted at one Polio Clinic in Hinsdale and also two Blood Banks in that town.

A Salk Vaccine Clinic was held in Winchester during March. A total of 452 children attended with 343 of this number receiving their 3rd shot. Mrs. Lawrence Stone of Ashuelot, and Mrs. Walton Thompson did the clerical work. The clinic was under the supervision of Miss Elizabeth Carriel, R.N., State Health Nurse of Claremont, N. H. Mrs. Nellie Blicher, R.N. and Miss Grais Churchill, R.N., of Hinsdale assisted the local nurse. Dr. Thomas F. O'Connor of Winchester administered the vaccine.

A series of three Triple Toxoid Clinics was held in March, April and May — with Dr. O'Connor in attendance; 31 vaccinations were done; 19 Triple Toxoid, and nine Booster shots were given. These clinics are free, and for pre-school children, and if the demand is great enough I will be glad to hold a series this spring.

Mrs. Nellie Blicher was the substitute nurse in July. The Well-Baby Clinics, held the third Thursday of each month (excepting July and August) have been poorly attended, and if the attendance does not increase, I will have to discontinue them, as there are other important demands for the time.

During the fall a great deal of Social Service work was done — Clothing distributed, family problems and clinic arrangements made.

In closing I wish to thank all who have made the work more pleasant, and fruitful.

Respectfully submitted,

PRISCILLA S. GLOECKLER, R.N.

District Nurse

# Report of the School Nurse

---

## FOR 1957

School visits	747
Home visits	76
Pupils taken home, ill	25
Inspections	5232
First Aid	174
To Physician's office	5
Exclusions because of communicable disease	41
Physical exams	536

### Defects found:

Nasal — 1
Tonsils and Adenoids — 10
Dental — 31
Cardiac — 1
Orthopedic — 2

Heights and Weights	516
Vision Test	213
Defects — 16	
Corrections — 11	
Attended Mental Hygiene Clinic	3

Cod liver oil is being furnished by a local organization to 26 underweight children.

I wish to impress upon the parents the need of keeping your children home if they are ill. I have had several instances where children have had a temperature of 102 degrees or more upon arriving at the school. Upon taking them home, there is no one there to care for them. It is your responsibility to care for your child, not the teacher's or mine. Furthermore, if your child is taken sick in school, and we can reach you by phone or other means, it is your duty to come after them, or

find a way to transport the child. The School Nurse is expected to transport only in cases of emergency.

This year again I remind you to have your child vaccinated before Sept. 1, 1958 if he is entering the first grade. This is a State Law and we must enforce it. If you will cooperate with us I know we will with you. The laws are made for your child's safety, as well as the neighbor's child.

I wish to thank all School officials, teachers and parents who help make the School Nursing Program a worthwhile project.

Respectfully submitted,

PRISCILLA S. GLOECKLER, R.N.

School Nurse-Teacher

## Circulation Data:

Fiction	7074
Non-Fiction	4372
Juvenile	4906
Magazines	1431
<hr/>	
Total	17,783

585 new volumes were added during the year.

Some of the outstanding titles included in the above figure are, "Great Historic Places" published by American Heritage, "Macmillan Wild Flower Book," "Book of the American Indian" by LaFarge and Miller's two-volume work "American Antique Furniture." All of these titles are on our Memory Shelf. We have also added "World's Great Religions" published by Life Magazine, and several new Atlases. And — we have a new globe — a beautiful 18-inch plastic one. By replacing a section, it can be brought up to date at any time.

Mr. Robert G. Jordan, of West Hartford, Conn., has very graciously given us about 1000 volumes of his personal library. We are very grateful to Mr. Jordan for his gift. The majority of the titles will find a happy home on our shelves. We are now waiting for bookplates and the accession figures will be added in the 1958 totals.

New fluorescent lighting was installed in the Reading Room and the Children's Room. A new sectional filing cabinet was also purchased.

Please come in and spend some of your leisure moments with us and take home books for all the family to read.

Respectfully submitted,

EDITH W. ATKINS

Librarian

# Community Center Report

---

I hereby submit the annual report of The Ellen Lambert Murphy Memorial Community Center recreation program for children and adults.

Following the report last year your Community Center established a junior high canteen group which operated every Friday night and was quite successful. It consisted of table and group games and dancing. Both the high school and junior high school canteens were concluded in early May with a combined record hop.

The Little League Baseball team had an excellent season this past year losing only one game out of 14 and winning the inter-town championship. There were 15 boys under the capable leadership of Mr. Boe Sortwell. Efforts were made to start a Pony League ball team and 12 boys were finally given the opportunity to play three games. With good leadership this group can be developed this year.

The summer playground was successful with a full 9 weeks of fun and activity. The average daily attendance was 69. The daily program included: Handicrafts, story time, music time, nature lore, group games, swimming, hiking and trips. Special events were: Family night, bicycle rodeo, frog jumping contest, dog show, field day, trips to Laurel Lake and a cook out. The learn-to-swim program cooperatively sponsored by your Community Center and the Red Cross enrolled 54 children from the 3rd and 4th grades. Old Home Day was successful, and it is hoped that next year an even better program may be planned. Thanks to all.

In September we initiated a soccer program for junior high boys to provide an opportunity for them to learn a little about the game before going into high school. We averaged eight boys per meeting. Halloween parties were again sponsored cooperatively by the Kiwanis and your Community Cen-

ter. The High School Tiger's Den is active again this year with the average attendance of 20 per meeting. There has been a change in the movie program because of the expense. Movies are now being provided on Saturday afternoons only and we are using the A. C. Lawrence Leather Company's 16 mm projector to show them. It was felt that better activities could be made available on Saturday nights and that the auditorium would be more available for use on Sundays.

The bowling program is again in full swing. With the exceptions of the withdrawal of the Tannery League and the addition of Saturday night open bowling the program is very much the same as last year. An addition to boys' high school bowling league night has been the opening of the auditorium where they may play ping-pong, shuffleboard and other table games. This was made possible through the volunteer leadership of Mr. Vernon Jones. The Winchester Sportsmen, Inc., established a Junior Ranger Club and have found the interest in shooting very high among the high school boys.

The Christmas program for the elementary children was planned similar to last year but the attendance was very discouraging. Just what the reason was for such poor attendance I do not know. A new addition, however, for high school students was included this year with startling results. An afternoon canteen including games, bowling and dancing had an average attendance of 27 per day during the vacation period.

The ice rink was successful again this year with a large number of people enjoying skating. It seems almost impossible to keep the rink more than two weeks.

The Catholic Youth Organization recognized the need for an activity on Saturday nights and your Community Center cooperated with them in providing record hops every Saturday night.

The auditorium was made available to the elementary school during school hours free of charge.

New improvements have been a much needed riding

lawn mower that will do a great deal in keeping the grounds neater and allowing us to reclaim areas which we were unable to care for with the old mower. We also replaced the old hand fired, cracked steam boiler, which was in the bowling alley, with a new automatic oil burner and boiler which does a wonderful job of heating the alleys and will provide all the hot water that will be needed in the kitchen.

Your Community Center has in the past year increased its program and improved on its facilities but additional increases in program and improvements are slow without your help and participation. It is your Community Center and only through your actions will it produce what you most desire.

Respectfully submitted,

GALE ALEXANDER

Recreation Director

# Report of Forest Fire Warden

---

To the Selectmen:

Each year there is a demand for a statement on forest fires for publication in the annual town report. It is believed they serve a good purpose locally in preventing fires. The following is offered with the respectful request for publication in your town report.

Sincerely,

CORNELIUS WOOD

District Fire Chief

---

## FOREST FIRE PREVENTION IS EVERYBODY'S BUSINESS

New Hampshire faces a continuing challenge in its forest fire problem — 97 per cent of all our forest fires being man-caused and preventable — a serious indictment of interest in our own welfare and that of our neighbor. Both the State and the towns are striving diligently to effectively meet the challenge through education of the public to the threat fire presents to our woodlands; by maintaining a well trained corps of wardens and deputy wardens in every community and by providing ample opportunity for all who wish to dispose of unwanted waste materials. Carelessness and perverseness, however continue to be the big hurdles.

Thoughtlessly discarded lighted cigars, cigarettes and matches from moving vehicles by hikers, hunters and fishermen; careless burning of debris during hazardous periods in dangerous locations; illegal burning; improperly extinguished debris, camp and cook fires — all result in serious loss of property, disruption of industry and farm work and unnecessary expenditure of town and state funds.

To meet the challenge successfully, the state, your community and your local forest fire warden need YOUR thoughtful and cooperative effort — The rules are simple:

1. Don't burn at home — use your town dump and avoid all fire problems.
2. If you do burn, be sure to secure a written permit from your local forest fire warden when the ground is not covered with snow. Permits are required for open debris fires, home incinerators, outdoor fire places and camp fires. Your warden is instructed to permit burning if weather conditions, site and type of burning are safe.
3. Be sure that all lighted material — cigars, cigarettes and matches — are completely out before discarding them. Use ash trays in automobiles.
4. Make certain that your debris, camp and cook fires are completely out before leaving them.
5. Insist that others be careful and comply with burning requirements.
6. Call the warden promptly when fire is detected and aid him to extinguish it.

REMEMBER — the fire you prevent might be the one which could burn YOUR property.

REMEMBER FOREST FIRE PREVENTION IS EVERYBODY'S BUSINESS and our MOST IMPORTANT UNDERTAKING.

#### **1957 Forest Fire Record for your Town**

Number of fires	12
Number of permits issued	37
Acreage burned	82½

CORNELIUS WOOD

District Fire Chief

EARL SWEAT

Forest Fire Warden

# Report of the Overseer of Welfare

January 22, 1958

I hereby submit report of the Overseer of Welfare for Direct Aid and Soldiers' Aid in the Town of Winchester, N. H., January 1, 1957-December 31, 1957

## DIRECT AID

	Food	Fuel	Medical	Clothing	Total
Harold Foster	\$104 00			\$ 3 50	\$ 107 50
Clifford Struthers	207 00		\$ 71 50		278 50
Agnes Roy	70 00	\$18 90	288 77		377 67
Theo. Edson	20 00				20 00
Nina Starkey	104 00				104 00
Mrs. Blackmore	15 00				15 00
Mrs. Rice for 2 boys	56 00		3 00	12 24	71 24
Mrs. B. Janti	132 00	44 00		7 57	183 57
Mrs. J. Carmon	22 00				22 00
Mrs. K. Wiater	37 00	4 00			41 00
Mrs. Benware	5 00				5 00

---

\$772 00	\$66 90	\$363 27	\$23 31	\$1225 48
----------	---------	----------	---------	-----------

## SOLDIERS' AID

	Food	Fuel	Medical	Total
#75	\$ 20 00			\$ 20 00
#60	85 00		\$8 00	93 00

#1	24 00	7 08		31 08
#2	5 50	8 85		14 35

---

\$259 50	\$20 93	\$8 00	\$288 43
----------	---------	--------	----------

Direct Aid	\$1225 48	
Soldiers' Aid	288 43	
	<hr/>	
Total		\$1513 91

Due to personal situations affecting the families concerned the amounts this year are larger than anticipated. In addition to the orders given, a goodly number of surplus foods have been distributed, such as Powdered Milk, Cheese, White Flour, Wheat Flour, Beans and Rice.

Considering the appropriation for 1957 which was \$1000.00 less than the previous year the Overseer is glad to announce that the distribution is within the budget.

Respectfully submitted,

MRS. CHARLOTTE DUSTAN

Overseer of Welfare

# Report of Health Officer

January 1, 1957-December 31, 1957

---

Reports of communicable diseases have been limited the past year according to reports I have received. Those reported and serviced by Dr. O'Connor and Dr. Carter included mumps, chicken pox, German measles and forms of cold. There has been no serious outbreak of the flu although among the school children there have been cases of heavy colds necessitating absence from school. Precautions have been taken and the doctor and parents involved have taken care of the shots where necessary.

This department with the help of the Police Department buried a dead dog which was reported lying on the road.

Messages have been taken regarding OAA cases of illness and referred to the proper channels for solution.

One patient under the Department of Welfare was taken to Keene for a tooth extraction.

Under the Health Department are several branches of service, among them the matter of car junk disposal. There are laws to cover but up to the present it has been difficult to convince the owners that car junk yards are a fire hazard, unhealthy and most unsightly to those having to pass them.

There are certain restrictions applicable to the law on Motor Vehicle Junk Yards, which, if not adhered to, are liable to fines and imprisonment.

The expense to the Town of the Health Department is minimum. A fraction is necessarily applied to the Overseer's report which properly belongs to the Health Department.

Respectfully submitted,

MRS. CHARLOTTE DUSTAN

Health Officer

## School Warrant

---

**THE STATE OF NEW HAMPSHIRE**

To the inhabitants of the School District in the town of Winchester qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the seventh day of March, 1958, at 7:30 o'clock in the afternoon to act upon the following subjects:

1. To choose a Moderator for the ensuing year.
2. To choose a Clerk for the ensuing year.
3. To choose a member of the School Board for the ensuing three years.

4. To choose a Treasurer for the ensuing year.
5. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
6. To choose Agents, Auditors, Committees in relation to any subject embraced in this warrant.
7. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state equalization fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.
8. To see what sum of money the district will raise and appropriate for the purpose of erecting an addition to the present high school building and for the further purpose of furnishing the same with equipment of a lasting character; and in order to provide funds for such purposes, to authorize the school board to issue and sell notes or bonds in the name of and on the credit of the district under and in accordance with the Municipal Finance Act, and any amendments thereto; and to delegate to the school board authority to fix the date, maturities, denominations, the interest rate, or discount rate in the case of notes, and to provide for the sale thereof, and to take such other action in respect thereto as may be necessary or advisable, all in accordance with the laws of the State of New Hampshire.
9. To see if the district will authorize the school board to execute any and all contracts or agreements necessary or advisable in connection with the construction of an addition to the high school building and for the purchase of equipment and furnishings for the same, or take any action thereon.
10. To see what sum of money the district will raise and appropriate for the purpose of paying for architectural and

other services rendered to the district in connection with the planning of an addition to the high school building, or take any action thereon.

11. To see if the district will authorize the school board to purchase for the district from George L. Adams, Sr., the tract of land of approximately two acres which is northerly of Thayer High School and raise and appropriate the sum of two thousand dollars (\$2,000.00) for this purpose.

12. To see if the district will authorize the school board to purchase for the district from the New England Box Company a tract of land 200 feet in width and some 1,317 feet in length adjoining the east boundary of Thayer High School property and to erect and maintain a fence along the eastern side of said tract of land and raise and appropriate the sum of two thousand dollars (\$2,000.00) for this purpose.

13. To see if the district will vote to retain the present School Planning Committee and instruct it to work with the school board on the study of school problems in Winchester, or take any action thereon.

14. To see if the district will authorize the school board to make application for and to receive, in the name of the district, such advances, grants-in-aid or other funds for educational purposes as may now or hereafter be forthcoming from the U. S. Government and/or State Agencies.

Given under our hands at said Winchester, this 17th day of February, 1958.

# REPORT OF AN EXAMINATION AND AUDIT

of the accounts of

## THE WINCHESTER SCHOOL DISTRICT

### SUMMARY OF FINDINGS AND RECOMMENDATIONS

Winchester, New Hampshire

July 31, 1957

The School Board

Winchester School District

Winchester, New Hampshire

Gentlemen:

We are pleased to submit herewith our report of an examination and audit of the accounts of the Winchester School District for the fiscal year ending June 30, 1957.

The scope of our audit included the accounts and records of the School Board, the School District Treasurer, the School Lunch accounts, and the Thayer High School Activity Funds.

This is to certify that we have examined the books, vouchers, bank statements, and other financial records of the Winchester School District, the School Lunch accounts, and the Thayer High School Activity Funds, of which the attached reports are a true summary to the best of our knowledge and belief, for the fiscal year ending June 30, 1957, and find them in very good order.

We wish to extend our thanks to the officials of the Winchester School District for their cooperation and assistance during our audit.

Very truly yours,

ARNOLD B. CONWAY

ROBERT A. SCHAUFUS

ROBERT A. SCHAUFUS

Auditors

Acknowledgement is hereby made of the contributions of the Winchester Kiwanis Club. This money is used to provide lunches for underprivileged children.

A freezer was purchased for the Thayer High School Program. Payment was made from the lunch program fund and not by the school district. Since it was purchased after July 1, 1957, the expenditure item will appear in the financial report for the school year 1957-1958.

# Report of High School Principal

---

I hereby submit the annual report for Thayer High School to the Superintendent of Schools.

Enrollment for the school year 1957-1958 as of February 1, 1958:

Seniors	29	
Juniors	26	
Sophomores	48	
Freshmen	46	
	—	149
Seventh Grade	40	
Eighth Grade	36	
	—	76

The Industrial Arts Department continues to offer a variety of opportunities for students, who are interested in this field. The State Department explains that the industrial arts programs should be described as an exploratory period in the students' school life: a period during which he can find out just what seems to be his interest.

The Music Department, headed by Mr. Garland, presented the annual Christmas Concert and plans are underway for the spring operetta.

The following have been chosen for the All-State Concert:

## All State Band

Charles Lang, trumpet

Richard Baker, tuba

Record of cash on hand as of February 1, 1958, for various classes and organizations in Thayer High School:

Class '58	\$1321 85
Class '59	306 03
Class '60	222 04
Class '61	99 31
Class '62	130 45
Class '63	33 98
Athletic Association	124 86

Music Fund	423 94
Thayer Revue	166 99
General Fund	411 64
Student Council	330 32

The commercial department has been somewhat handicapped as a result of Mr. Cook's leaving in December. We are very fortunate to secure Mrs. Grupe as a replacement. The increasing demand for commercial training poses a problem as to the need of more equipment and space.

Emphasis is being placed upon the mathematics and sciences, and students are being encouraged to take these subjects if they have acquired qualifying grades in basic courses.

The English, language and social studies classes are doing a remarkable job in their respective areas. We have added two health classes to the Junior High School curriculum.

The Home Economics Department accomplishes a great deal despite the lack of space and facilities. Practical subjects can best be taught by actually doing, and it requires room for large classes of home economics students to cook, sew and practice home making.

The graduating class of '57 is well represented in post-secondary schools. It is very gratifying to see that so many students realize the need of further education and are taking advantage of its opportunities.

Of the twenty-four students graduated, it is remarkable to find such a high percentage who are seeking further training.

Seven graduates are enrolled in Liberal Arts Colleges, Teachers' Colleges or Business Colleges; two are enrolled in nurses' training schools.

Two graduates are employed in Washington for the Department of the Navy; others are employed in the local area or have joined the Armed Forces.

In compliance with the State Board of Education's required program of studies, each student, commencing with the 1958 Freshmen Class, must receive a balanced program which entails some study in each of four fundamental areas—language arts, social studies, science and mathematics. Thus each pupil shall successfully complete a minimum program of general education as follows: English, 4 credits; Social Studies, 2 credits (including U. S. History); 1 mathematics and 1 science.

In conjunction with the above required subjects, each student shall elect at least eight (8) credits of work suited to his own individual needs, interests, abilities and plans.

In order to comply with the new State Board Standards and to keep within the teacher load limits of classes, teacher preparations, maximum class sizes, and total number of class minutes to be taught, it will necessitate the hiring of more teachers and the increasing of classrooms.

In view of the many recommendations made by the State Board of Education, it seems possible that in the not too distant future many of these recommendations will become mandatory as the educational standards rise. If this assumption becomes a reality, our present school facilities will be even more inadequate than they are now.

Due to the foresight of the people of Winchester in adding two rooms to the high school in 1954, we were able to meet the minimum requirements for an accredited high school this year. Without the addition, this would have been impossible. We hope the same sane thinking will lead Winchester to provide the new proposed addition to the high school in order that we may fulfill some of the state's recommendations before they become obligatory.

As a matter of record a summary of the 1957 commencement and a list of graduates follows:

## Essays

Leo Rice

Janet Jackson

Nancy Nash

Bruce Jones

Rosalyn Barrett

Constance Botting

Jane Hopkins

Donna-Jean McNamara

Nancy Nash was the recipient of the Josephine Mansfield Sprague Music Award. The honor students were Donna-Jean McNamara, first; Leo Rice, second; Rosalyn Barrett, third. The Class Marshal was Norman Paquette.

The class roll is as follows:

Angela M. Banis

Rosalyn F. Barrett

Frances R. Benoit

Constance M. Botting

Rita H. Bushey

James J. Byrne

Patricia M. Campbell

Edward J. DeTour

Joyce M. Hildreth

Carolyn M. Hodgman

Jane A. Hopkins

Janet R. Jackson

Bruce E. Jones

George H. Lawrence

David R. Manning

Donna-Jean McNamara

Carolyn A. Nash

Nancy R. Nash

Barbara J. Polaski

Marilyn A. Pratt

Terrance P. Qualters

Leo E. Rice

Joanne M. Tatro

Barbara J. Wasileski

Respectfully submitted,

PAUL C. McNAMARA

Principal

# Report of Superintendent of Schools

To the School Board and Citizens of Winchester:

I have the honor to submit my eleventh annual report.

## STAFF CHANGES:

**Thayer High School:** Mr. Marvin S. Zimmer resigned as supervisor of music at the end of the last school year. He has been replaced by Mr. George W. Garland who has studied at the New England Conservatory of Music. Miss Florence E. Flint, commercial teacher for four years, left us to accept a similar position in Hampton, New Hampshire. Mr. David J. Cook, a graduate of New Mexico Western College, was engaged to teach the commercial subjects. He resigned unexpectedly after the Christmas holidays. We are fortunate in having the services of Mrs. Agnes S. Grupe who is now teaching the commercial subjects.

**Center School:** Mrs. Katherine E. Urgielewicz, after teaching second grade many years in Winchester, resigned to accept a position in Greenfield, Massachusetts. Mrs. Elinor G. Kibbee who had taught at the Community Center for several years, was transferred to the second grade position. Mrs. Christie M. Jamieson, a graduate of Plymouth Teachers College, assumed the responsibilities of the Community Center position vacated by Mrs. Kibbee.

**Ashuelot School:** There were no personnel changes at the Ashuelot School.

## BUILDINGS AND GROUNDS:

**Center School:** A major repair job was done on the front steps by our custodian, Mr. Horton. This is work usually done by professional masons and Mr. Horton is to be commended for his excellent accomplishment. In addition, he painted the fifth grade room, repaired the basement walls with masonite panels, raised the height of the cafeteria tables by replacing the legs

and repaired the drain board of the sink in the cafeteria.

**Thayer High School:** Fluorescent lights were installed in the commercial rooms by Mr. Monroe. We have been congratulated by the state inspector upon this installation, since the artificial illumination has been improved immeasurably. Mr. Monroe also built a storage cabinet for the band uniforms and caps and gowns.

The exterior of Thayer High School was painted during the summer months. The chimneys were also extensively repaired.

**Ashuelot School:** Considerable interior painting was done by Mr. Freeman during the past summer. He painted the walls and ceiling in the cafeteria, painted two classrooms, and varnished the woodwork in the building.

After the Ashuelot School was struck by lightning, major repairs were done on the chimney and roof and the front porch and steps.

#### ENROLLMENT TRENDS:

1968-69	39	36	50	46	53	45	269

As stated in previous reports, the figures in the above tables are not to be considered factual. They merely serve as an indication of future trends in enrollments. They do not take into account that there will be non-promotions and that there will be drop-outs, particularly in the high school. They also presuppose that families will not leave Winchester and no new families will move into town. However, they will help the townspeople to have a better idea of future school needs.

An article will be inserted in the school district warrant for the consideration of the voters. This article will call for an addition to Thayer High School which will accomplish two things, relief in our crowded elementary school housing and improvement of our high school facilities. It is planned to build four elementary school classrooms which will take the pressure off the Center School.

Four members of the State Department of Education recently paid Thayer High School a visit. Their conclusions included the following recommendations: a larger science area, an improved cafeteria, larger home economics quarters and provision for a library. These recommendations have been taken care of in the planned addition to Thayer High School.

The School Board and School Planning Committee have labored long and diligently in studying Winchester's school needs. After careful consideration of various plans they decided to submit the one which they deemed as most practical for Winchester. This plan will provide for two avenues in later development of our school plant.

A cooperative high school shared with neighboring towns is still within the realm of possibility. In the event that this might materialize, the present high school would be converted to elementary school use.

If it is found that a cooperative high school is impossible, additional elementary classrooms could be added at a later date. In either case, the Center School would be abandoned.

It is to be hoped that the thinking people of Winchester will support this flexible plan. It is sensible and realistic and evidences the serious thought put into it by the School Board and School Planning Committee.

In conclusion, I wish to express my appreciation to the teachers, pupils and parents, the School Board, the School Planning Committee and the patrons of our schools for their co-operation.

Respectfully submitted,

CHESTER C. LEES

Superintendent of Schools

# Auditors' Report

---

Board of Selectmen  
Winchester, New Hampshire

Gentlemen:

We are pleased to submit herewith the report of our Audit and Examination of the accounts of the Town of Winchester for the fiscal year ended December 31, 1957.

Included in our audit were the accounts of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, Highway Commissioner, Water Department, Fire Departments, Overseer of the Poor, Library Treasurer, Trustees of Trust Funds, and Municipal Court.

This year we have prepared several financial statements, which are to be included as part of our report. They include Comparative Balance Sheets for December 31, 1956 and December 31, 1957, Comparative Statement of Appropriations and Expenditures, Statement of Estimated and Actual Revenues, Budget Summary, and Summary of Long Term Indebtedness. We also have prepared summaries of the accounts of all departments included in our audit.

The Comparative Balance Sheets show an increase in the Net Debt of the Town in the amount of \$28,044.47 over 1956.

As indicated in the Budget Summary a Net Overdraft of appropriations of \$14,745.21, less Net Revenue surplus of \$3,287.71, results in a Net Budget Deficit of \$11,457.50.

The Audit procedure included comparing vouchers and cancelled checks with supporting invoices and payrolls, as well as entries in the books of record; and receipts were checked by source insofar as possible. Book balances at the close of the fiscal period were verified by reconciling cash book balances with Bank Balances, and uncollected taxes were verified by mailing notices to a majority of the delinquent tax payers. We also have verified outstanding accounts receivable of the highway and water departments by mailing letters of inquiry to the larger accounts. All outstanding Long Term notes were verified by letters to the Banks or individuals holding these notes.

Section 10 of Chapter 32, New Hampshire Revised Statutes, Annotated, 1955 (Municipal Budget Act), the provisions of which have been adopted by the Town of Winchester, provides as follows:

"32:10. Exceeding Appropriations. In towns adopting the provisions of this chapter, no board of selectmen, school board, commissioners of a village district wholly within said town, or other expending agency shall pay or agree to pay any money or incur any liability involving the expenditure of money for any purpose for which an appropriation has not been made, or in excess of any appropriation or allotment made to it, except for the purpose of paying judgments rendered against the town or school district or said village district, provided, however, that in case of sudden and unexpected emergency the selectmen or village commissioners on application to the state tax commission, and the school board on application to the state board of education, after hearing, may be given a certificate of emergency authorizing them to make such expenditure or incur such liability, provided that no such certificate of emergency shall be granted unless the budget committee of the town has approved the expenditure. In cases arising during the year following the annual meeting, where changes occur which make it unnecessary to use the amount appropriated for a specific purpose, an unexpended balance may be transferred by the

board of selectmen or the school board or the village commissioners of such village district from one appropriation to another, provided the total amount expended for all purposes does not exceed the total amount appropriated at the town, school or village district meetings for all purposes.

It is noted, therefore, that contrary to the provisions of Section 10, chapter 32, of the Municipal Budget Act, expenditures exceeded total budgetary appropriations and to the best of our knowledge no application was made by the Board of Selectmen to the State Tax Commission for authority to exceed appropriations.

We list the larger overdrafts for your information:

Fire Department	\$ 843 00
Forest Fire Department	2152 44
Summer Maintenance	5613 75
Winter Maintenance	2236 41
Tarring	4105 87
General Expense of Highway	719 00
Interest on Temporary Loans	719 14
Taxes bought by Town	1136 10

Some progress was made in clearing up uncollected and unredeemed taxes of prior years, however, still further action should be taken by the Board of Selectmen, in that they should carefully examine the Tax Collector's lists of uncollected and unredeemed taxes and remove by abatement or issuance of Tax Deeds, such taxes as appear to be uncollectible or where the two year redemption period has expired.

We hereby certify that we have examined and audited the accounts and records of the Town of Winchester for the fiscal

year ended December 31, 1957, and have found them to be in very good order, except as noted. To the best of our knowledge and belief the financial statements and summaries of accounts reflect the true financial condition of the Town as of December 31, 1957.

We extend our thanks to all the officials of the Town of Winchester for their assistance and cooperation during the course of our audit.

Very truly yours,

ARNOLD B. CONWAY  
ROBERT A. SCHAUFUS  
HERBERT A. TAYLOR

Auditors
